

## WELCOME TO SOUTH GEORGIAN BAY

South Georgian Bay, located only 90 minutes north of Toronto, is considered one of Ontario's most diverse regions. The southern shores of Georgian Bay give rise to the highest point of the Niagara Escarpment, a UNESCO biosphere reserve and a haven for four-season outdoor adventure.

Experience Historic Downtown Collingwood and the quaint communities of the Blue Mountains, Meaford, Creemore and others which lie on the edge of world-class resorts, forested trails and picturesque farmland and Thornbury lie on the edge of world-class resorts, forested trails and picturesque farmland.

Take a ride around town or in the scenic countryside. Visit a vineyard, orchard or tour one of many local breweries. Taste the local bounty. Ride along the longest freshwater beach in the world, located in Wasaga Beach. Discover the beauty as you ride the winding roads and enjoy the vistas from the extensive rail trail network.

Home to one of the most extensive multi-use trail networks and some of the most scenic road cycling climbs in the province, South Georgian Bay offers a challenge for riders of all abilities and styles. Whether touring with friends or enjoying the fresh air with your family, we have a route for you.

If you would like more information on the cycling routes and trail networks, visit [www.cyclesimcoe.ca](http://www.cyclesimcoe.ca).

## TRAIL DESCRIPTIONS

### The Heather Pathway

**Difficulty:** Easy  
**Length:** 17.7 km  
**Start:** Sunset Point Park

The Heather Pathway is a series of Town trails linked together that creates a loop around the Town of Collingwood. Millennium Park and Hen & Chickens boardwalk provide scenic views of Georgian Bay. Along the Heather Pathway you will find interpretive signs that describe the rich history of both the trail and the Town of Collingwood. For a break, stop at Sunset Point park; both food and washrooms available in season.

### The Georgian Trail

**Difficulty:** Easy  
**Length:** 33.6 km (each way)  
**Start:** 3 Birch Street, Collingwood or Craighell Depot - 113 Lakeshore Rd.

From Collingwood to Meaford, the trail runs near Hwy. 26 West with numerous access points along the way. If you are looking for the most scenic waterfront trail in the area, the Georgian Trail has it. Running along the south shore of beautiful Georgian Bay, the Georgian Trail has ample opportunity to stop, rest and swim during the summer months. The Georgian Trail is a fantastic way to commute around South Georgian Bay and is safe, accessible and fun for the whole family.

### Clearview-Collingwood Train Trail

**Difficulty:** Easy  
**Length:** 16.9 km (each way)  
**Start:** Station Museum, Collingwood or Station Park, Stayner.

The Clearview Train Trail is a crushed gravel, linear trail connecting to the Collingwood Train Trail. It follows an abandoned rail line which used to be part of the Ontario Simcoe and Huron Railway system connecting Collingwood to Toronto and was built between 1851 and 1855. Prior to its abandonment in 1960, passengers enjoyed views of the tranquil landscape along the way. Now used as a multi-use trail, hikers and bikers can enjoy this flat rail bed, stopping in either Stayner or Collingwood for lunch or a break.

### Carley Patterson Memorial Trail

**Difficulty:** Easy  
**Length:** 10.6 km (each way)  
**Start:** Wasaga Beach RecPlex

The Carley Patterson Memorial Trail meanders along Trillium Creek though a mosaic of swamp and upland forests. Snow melt in the spring creates woodland pools that support breeding habitat for migrating waterfowl. Several woodpecker species forage and nest along the creek corridor. White-tailed Deer and Wild Turkeys can be seen along the trail. Trillium Creek provides habitat for a handful of small fish species as well as amphibians even though flows can be very low or even intermittent during spring and early fall. Please Note: Trail is a combination of quiet roads and stone-dusted trail. A hybrid bike is recommended.

### North Simcoe Rail Trail

**Difficulty:** Easy  
**Length:** 31.4 km (each way)  
**Start:** Pinagrove Road near Hwy 90 or Pelplston roadside parking

The North Simcoe Rail Trail follows the route of the North Simcoe Railway, which was built in 1878 and primarily served lumber business on Georgian Bay. The trail now offers stunning views over the Minsing Swamp and the Mayer's Marsh, both excellent birding spots or check historic Fort Willow, and its Nine Mile Portage Heritage Festival every September. The trail connects to the Tiny Trail in the north, and with the Ganaraska Hiking Trail in the south.

## CYCLING SAFETY AND ETIQUETTE

### Trail Etiquette

Trails are a wonderful way to spend an enjoyable day, relaxing and taking in the scenery. There are spectacular views and natural areas as you travel Simcoe County's trails. Trail etiquette is important so that everyone will have a safe and enjoyable outdoor experience and trails will be preserved for future generations.

### Code of Conduct:

- Show courtesy to all trail users
- Stay on the trail - preserve the natural vegetation and private property
- Stay to the right - obey all posted signs and warnings
- If you stop, do not block the trail
- "Wheels yield to heels" - pedestrians always have the right of way
- Cyclists - ride defensively and in control
- Pass on the left when overtaking others and sound a warning by bell or voice
- Do not litter - take out what you bring in.

### Disclaimer:

The following map has been printed by Cycle Simcoe. While every effort has been made to ensure the accuracy of this map, inaccuracies or changes may occur. Cycle Simcoe, the Simcoe Cycling Club and the County of Simcoe are not responsible for any variations from the printed information.

This cycling map has been developed to assist in planning bicycle trips throughout Simcoe County. Users of this cycling map are responsible for their own safety and use these routes and trails at their own risk. Users should consider not only route and trail conditions but also their level of experience, current level riding in traffic, traffic conditions and traffic volume, weather, time of day, and any obstacles, such as construction or potholes, when cycling on any route or trail within Simcoe County. This map is not intended as a guide for children. Cyclists should exercise the same level of caution whether riding on a route designated by this map or any non-designated route.

Cycle Simcoe, the Simcoe Cycling Club, the County of Simcoe and others involved in the design and publication of this map and the cycling routes are not responsible for any loss or damage caused by any user of this cycling map or the cycling routes. Cycle Simcoe, Simcoe Cycling Club, and their partners do not warrant the safety of any route, highway, road, street, trail or designated cycling route shown on this cycling map.

Waiver: Having read the foregoing material and as a condition of using this cycling map, the users of this cycling map warrant, release, and discharge, for themselves and their heirs, successors, administrators, successors and assigns, any rights or claims which the users have or may hereafter have against the directors, officers, employees, owners, volunteers and staff of Cycle Simcoe, Simcoe Cycling Club, the County of Simcoe and other sponsoring businesses and organizations, for any and all damages which may be sustained by the users directly or indirectly in connection with their use of this cycling map or the cycling routes.

Cyclists are required to ride as tight and to the right as safely possible when being passed.

Motorists are required to leave a minimum of 1 metre of space when passing cyclists.

Road safety is everyone's responsibility. When everyone follows the same rules, actions become predictable.

## ROAD DESCRIPTIONS

### 7 Beaches Route

**Difficulty:** Moderate  
**Length:** 31 km (each way)  
**Start:** Wasaga Beach RecPlex

Starting in Wasaga Beach and carrying on to Historic Balm Beach, this relatively flat route travels up the shore of Georgian Bay, passing beach after beach, including the world's longest fresh water beach in Wasaga Beach. Bring your bathing suit along, because this route lives up to its name, "7 Beaches Route". Take a swim in the clear blue waters of Georgian Bay at any point along the way or at the halfway point in Balm Beach. Grab a quick bite to eat and fill up your water bottles before you return via the same way back to Wasaga Beach where you can have a refreshing après ride swim!

**Please Note:** This route sees high volumes of traffic in the peak summer season. If you want to avoid the crowds and have the beaches to yourself do this ride early in the morning.

### Iron Bridges Route

**Difficulty:** Moderate  
**Length:** 35.6 km  
**Start:** Wasaga Beach RecPlex

For a more scenic and rural ride, try the Iron Bridge Route. Known for being relatively flat except the small valley where Iron Bridge is located, this route crosses the Nottawasaga River in three separate places along your 35 km journey. At the halfway point you will travel through a cedar forest valley and cross a picturesque single lane Iron Bridge. After you cross the bridge you climb out of the valley back into farmland then back towards the bay, then ride along the shore line through Wasaga Beach areas 1 and 2 and back to your starting point. Make sure you check out all the beach excitement and beautiful views of Southern Georgian Bay at its finest.

**Please Note:** Shoreline roads near Wasaga Beach will be a busy during peak season. Tip, if you want to avoid the crowds and have the beach to yourself do this ride early in the morning.

### Wasaga Dunes Loop

**Difficulty:** Easy  
**Length:** 35.6 km  
**Start:** 30 Lewis Street, Wasaga Beach

This bicycle loop follows 12 kilometres of roads in the Town of Wasaga Beach, using paved shoulders and designated bicycle lanes. Circling the 800 hectare "Dunes" area of the Wasaga Beach Provincial Park, the Community Bike Loop contains a large system of parabolic dunes, forested with mature oak and pine, which create a mosaic of wetland and upland forest habitats. The height of the dunes can be seen from Klondike Park Road, particularly at its intersection with Powerline Road at the south end of the bicycle loop.

### Creemore Loop (counterclockwise)

**Difficulty:** Moderate/Advanced  
**Length:** 58.8 km  
**Start:** Fisher Fields Park, Collingwood

Heading counterclockwise out of the Town of Collingwood and into Clearview Township, the first portion which passes the Regional Airport is relatively flat and a perfect warm-up. After crossing County Road 91 you enter more challenging rolling terrain. But the challenge is worth it, as you have multiple opportunities to view the beautiful Mad River along the way and discover the rural charm of Clearview. If you are looking for an opportunity to stop and soak up the culture, be sure to take a break in Creemore. This village, known for its mouthwatering restaurants and coffee shops, has art galleries, shopping and more! On your way back in to Collingwood, be sure your legs are ready for the Fairgrounds Road climb, which is a difficult but short climb to a fantastic view of Georgian Bay.

### Great Lakes Waterfront Trail

**Difficulty:** Intermediate  
**Length:** 255 km  
**Start:** Collingwood or Orillia

Stretching more than 3,600km from Sault Ste. Marie to the Quebec border on the St. Lawrence River, the Great Lakes Waterfront Trail is a signed route of interconnected roads and trails linking more than 150 communities and First Nations along the Canadian shores of the Great Lakes. The Simcoe County portion of the trail (255km) follows roads and trails drifting through rural Simcoe County and parts of Muskoka. You can hit all the great beaches, visit numerous Provincial Parks and historic sites through 15 communities, famous for their history, scenery, and amazing butter tarts.

Just another day at the beach  
Some people know Wasaga Beach only for its magnificent beaches. For those that like and love it here, the beach is just the beginning.  
MORE TO EXPLORE

BEYOND THE BIKE  
EXPLORE MORE IN SOUTH GEORGIAN BAY

### An Ode to Creemore's Turas Mór

**Difficulty:** Moderate/Advanced  
**Length:** 38 km  
**Start:** Creemore, ON

Test ride the Creemore Springs Turas Mór event route! A truly unique bike event takes place in the Village of Creemore on Saturday, May 23. Inspired by the vintage rides of Europe, Turas Mór - meaning "Great Journey" in Gaelic - is a cycling journey on gravel and non-gravel roads (a gravel, cyclocross, or hybrid bike is recommended for these roads) through the challenging, yet beautiful, rolling hills of Creemore in the heart of Clearview Township. For seasoned riders to first-timers, there's something for everyone! Creemore Springs offers three distances: 20k, 40k & 60k. Registration includes a fabulous day of cycling, local food and drink, live music, a gift from Creemore, and small town hospitality from start to finish. To register for the event, please visit [www.creemorespringsturasmor.com](http://www.creemorespringsturasmor.com).

### Lake Eugenia Loop (clockwise)

**Difficulty:** Advanced  
**Length:** 90.3 km  
**Start:** Fisher Fields Park, Collingwood

For experienced road riders looking to test their fitness, the Lake Eugenia Loop is the right choice. The Lake Eugenia Loop guides you along beautiful landscape and up epic climbs, such as the Pretty River Valley. Stop off at the Rob Roy Museum or the Feversham Garage for a break or carry on to the Village of Eugenia to refuel with a quick coffee. If you are a fan of butter tarts, be sure to visit the Kimberley General Store - known for welcoming cyclists with open arms, the Kimberley General Store has a gazebo, coffee and a butter tart that will charge you up for the last leg of the ride. One of the most picturesque sections of the ride is the return back in to Collingwood, as it is characterized by a series of climbs that takes you to the top of the escarpment, overlooking Georgian Bay, followed by a quick blast downhill into the Town of Collingwood.

### Collingwood Wasaga Connection

**Difficulty:** Easy  
**Length:** 13.3 km (each way)  
**Start:** Wasaga Beach RecPlex

Both Collingwood and Wasaga Beach are exciting towns to be in during the summer months - from waterfront events to concerts and festivals, you are guaranteed fun every time you visit. For those looking to travel between each Town via bicycle, two routes are recommended, for a longer, more challenging on-road route, take the Wasaga Collingwood link to the Escarpment based routes. If you and your family are looking for a flatter, less challenging ride take the route which follows quiet streets until it reaches the Heather Pathway. Please Note: Riders looking to only cycle one direction can take the Wasaga Collingwood bus link, as it can transport bikes.

### Elmvalle Extension

**Difficulty:** Moderate  
**Length:** 38.1 km  
**Start:** Wasaga Beach RecPlex

If you have a sweet tooth Elmvalle is the place - home to the second largest Maple syrup festival in Ontario and a fabulous bakery downtown. This route extends the Iron Bridge route through moderately flat terrain and small valleys, which take you to downtown Elmvalle to grab something sweet mid ride. Just outside of town fill up your water bottles from a fresh water spring. Please use caution on the stretch of road leaving the spring, as this can be a busy .5km section of HWY until you turn off on Flax Rd 11 W. This route also connects to the North Lake Simcoe cycling routes if you would like to explore other areas of Simcoe County. With a full belly and full bottle of spring water it's just rolling hills, farm fields and views of the Niagara Escarpment back to Wasaga Beach for your après ride swim!

### Badjeros Loop (clockwise)

**Difficulty:** Advanced  
**Length:** 72.6 km  
**Start:** Fisher Fields Park, Collingwood

Known for its challenging climbs and scenic landscape, the Badjeros Loop was designed for the advanced rider looking for a test. The start is flat until you cross County Road 91, after which you have a series of rolling climbs to the top with a great view over Georgian Bay and then a steep drop into Creemore, a very pretty town with great cafes, restaurants and galleries. Riders then pass through the quaint town of Dunedin before taking the long and challenging climb up to Maple Valley and Highway 124. Enjoy the view of Mennonite country, riding through Mennonite farms and churches, before you head down Pretty River Valley Road and back to Collingwood. Please Note: There is a slight jog to cross Highway 124 - be careful since the cars do travel at higher speeds on that road. Also, Pretty River Valley Road is one of the most fun descents in the area with lots of twists and turns down this undulating road.
